SREE GOVIND ENTERPRISES

TRADING THE MOST COMPREHENSIVE PRODUCT

ABOUT US

Sree Govind Enterprises established in the year 2005 as an International trader exporting various high quality Stainless steel, Aluminum, Copper, Brass and Wooden products, Electrical and Electronics products, Fashion Jewellery etc into the Middle East and Central & West African Countries. Our adopted business strategy is to "Serve the International business community with the need based products".

We have successfully built an excellent network of high quality manufacturers and sourcing channels with tremendous service ethics all over India which helps us in sourcing products with matchless quality standards at very competitive price.

Since our inception, we have been providing well acclaimed services in our specialized range of products and gained International repute in Novelty and Excellence in export. Headquartered at Kannur District, Kerala State, India, we are focused on penetrating into the US, European, South East Asia and South African market. It is our endeavour to be one of the preferred organizations for the international business community.

We offer the bouquet of services including entire documentation, smooth and hassle free overseas shipments and affordably priced services by ensuring complete satisfaction to the clientele.

OUR SERVICES

We are adept in sourcing various products from high quality and high net worth manufacturers and exporting to various continents. We offer the bouquet of services like sourcing, packing, documenting, shipping etc. We invite enquiries for all and any home products for international market and possess the strength and ability to serve the industry with high level of customer satisfaction.
